Veterans Memorial High School

You've Got a Friend in Me

Randy Newman

You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles
From your nice warm bed
Just remember what your old pal said
Boy, you've got a friend in me
You've got troubles, well I've got 'em too
There isn't anything I wouldn't do for you
We stick together and we see it through
You've got a friend in me
Some other folks might be
A little bit smarter than I am
Bigger and stronger too
Maybe
But none of them will ever love you the way I do
It's me and you
And as the years go by
Boys, our friendship will never die
You're gonna see
It's our destiny
You've got a friend in me
You've got a friend in me

In Memoriam

Mr. Jack Wilson
1947-2010

Mr. Wilson touched the hearts and minds of students and colleagues for nearly twenty years at PVMHS. We are forever grateful for his constant efforts in making the learning and teaching experience for many rewarding and enjoyable.

May he Rest in Peace

Principal's Message

To The Class Of 2011,

Traditionally, the presentation of this yearbook signifies that you have come to the end of your high school career as a student in the Peabody Public Schools. When you entered kindergarten many years ago, graduation must have seemed very distant and up to now you probably languished over the possibility that this event might never arrive. As you close this chapter of your academic career, you will soon discover that there are many more challenging chapters ahead. Hopefully, the knowledge and skill that you have acquired at Peabody Veterans Memorial High School has prepared you to succeed in all of your future endeavors. On behalf of the teachers and staff at PVMHS, I wish you good luck and I hope you will always be proud to be Tanner.

Sincerely,

Edward A. Sapienza
